NOW

Our school has grown tremendously in the last twenty-five years since the first edition of the Eagle. Not only has it grown as a building but it has also broadened as an institution of learning.

To the building we've added a field house, an auditorium, and even more recently, a bigger and better science department.

The landscape has changed also. We've more trees and shrubbery to give our school a beautiful "halls of ivy" look. Even where there were vacant lots and fields twenty-five years ago, today we see houses and even businesses and factories.

To the staff has been added many competent and capable teachers and administrative workers.

The student body, though filled with different faces than were here in 1937, is still studying, playing, planning, and progressing. "Now" just as "Then" everyone is striving for an even better **EAST LEYDEN HIGH**.

Presenting this year at Leyden . . .

Before the game.

Exercise unlimited.

Nice day for a walk.

This is our school East Leyden. Throughout these pages we are going to try and give a true picture of school life as it really is at Leyden. Twenty-five years have made their mark on East Leyden and also on the Eagle. The success of our school depends on every faculty member, every administrator, and most important, every student and each one's contribution to Leyden's improvement. Our activities, organizations, and sports events represent our school and the ideals and standards we have set up for its accomplishment of the task before it to educate East Leyden Students to become the best citizens in America.

Lonely Studying.

The quick brown fox.

Salve!

Making dinner.

Since the first issue of the Eagle in 1937 we have had twenty-five years of progress and looking forward to the future always with one thought in mind Improvement; to develop the finest in curricular programs. East Leyden's chief aim has always been to give the student a well-rounded education. Equally important is the goal of teaching the student how to become a useful and integral part of his school and community. A wide variety of subjects are available and irregardless of the student's personal needs, one will undoubtedly find a program suited to his individual interests and abilities.

pictures

In a whirl of curricular and social activities the East Leyden student filled his 1962-63 year. It is in this atmosphere that the student grows physically, and mentally. We hope this yearbook will preserve a memorable school year for you.

ADMINISTRATION

and FACULTY ...

It is the purpose of the faculty and administration of East Leyden to aid the student in preparing himself for his chosen career, whether it be college, marriage, or vocation. Leyden presents a curriculum broad enough to take care of the final education needs of the average pupil while supplying the needs of the college-bound student.

... and our industrious
BOARD of EDUCATION ...

The Board of Education is responsible for much of our education. It is the job of the Board to choose our administration and faculty. These men also plan our annual school budget, and levy the taxes needed for the support of the school. They have dealt with the problem of the ever increasing student enrollment, and have made East Leyden a better school because of their work. It is through the direction of these men that our school has developed into such a well organized institution.

... **WADE A. STEEL**

Our superintendent is East Leyden's Chief Executive. He has guided our growing faculty and administration just as others have before him. It is his job to keep Leyden running smoothly.

In this task he is assisted by our principal, Mr. David F. Byrne, and the assistant principal Mr. O. J. Sayers. These men have played an important part in making Leyden what it is today. For this we owe them our thanks . . .

David F. Byrne
Principal

Orville J. Sayers
Assistant Principal

This year East Leyden has added two administrative assistants to the staff. They are Mr. Thomas McLeRoy and Mr. Philip Southworth. Besides teaching these men share many administrative duties. It is Mr. McLeRoy's job to supervise the attendance office and bookstore, coordinate the registrar's work, and make plans for graduation. Mr. Southworth's duties include assigning substitute teachers, coordinate Leyden's testing program, and to plan assemblies.

... and those who guide

Assisting students in their quest for the right course, career, and colleges as well as helping with problems are our counselors. By offering us assistance in finding our special fields and by influencing us to reach higher goals, they help us to build better foundations for our lives. Their individual interest in each student has earned them the admiration of all.

These girls will receive guidance in choosing careers, school, and in managing problems.

Teachers and counselors deserve a little relaxation.

ORGANIZATIONS and ATHLETICS

East Leyden has a variety of organizations to which any student can belong. These clubs range from language clubs to science clubs; there are clubs for girls and clubs for boys, and all organizations offer fun, companionship and service.

The Sporting events at Leyden bring a rise in school spirit and makes the student body a unit. Athletics are offered to girls as well as boys and give a variety of entertainment for the audience.

To these phases of Leyden Life both now and 25 years ago with the first Eagle -- the next pages are devoted.

Being a young team of high ability, Leyden's cross country team may soon come of age and achieve greatness.

Head Coach Roberts

When early fall practice began, there were high hopes on the part of both players and coaches that the 1962 season would be a good one for the East Leyden Eagles.

Six sophomores and five juniors had lettered in 1961, and with Co-Captains Jim Asta and Tim Murphy providing real team leadership, the future looked good. The team was small in size, the offensive line averaging 168 lbs., and the backfield averaging 147 lbs. There was good team speed and a tremendous team desire to win.

The schedule however, did not favor East Leyden. There are twelve teams in the Interim League and unfortunately Leyden picked the top six teams to play in the first six league games.

	Won	Lost	Tie
1st Prospect	6	0	0
2nd Morton	5	1	1
3rd Maine	5	1	1
4th Glenbrook	5	2	0
5th Niles	5	2	0
6th Willowbrook	4	2	1
7th Proviso West	4	2	1
8th East Leyden	2	5	0
9th Glenbard East	2	5	0
10th Wheaton	2	5	0
11th West Leyden	0	7	0
12th Deerfield	0	7	0

ARLINGTON (7-19)

East Leyden opened the season with a non-Conference game with Arlington High School. Leyden took the opening kick off and marched 60 yards to the Arlington 6 yard and failed to score. In the 4th quarter, the Eagles, after leading 7 to 6 faltered and finally lost.

PROSPECT (0-21)

Against Prospect the Eagles were their own worst enemy. Prospect jumped off to a 7 point lead; after which John Campbell went 27 yards on a reverse play to score only to have the ball returned to the 42 yard line because of a holding penalty. Later a screen pass and 30 yards of fine running for a T.D. by Co-Capt. Jim Asta was called back to the 45 yard line because of a clipping penalty. One other penalty counted for a score when East Leyden was called for pass interference on the 2 yard line. This play set up Prospect's 2nd T.D.

MORTON (0-7)

Morton West was next and the Eagles played their finest defensive ball game of the season. A Leyden fumble on the 30 yard line and the inability to move the ball on offense spelled the difference between these two teams.

GLENBROOK (7-12)

After a fumble on the 40 yard line and 2 - 15 yard penalties for holding, East Leyden found Glenbrook on their 10 yard line in the first 4 minutes of play. Glenbrook capitalized and scored 6 points; however, a determined Leyden came back to lead 7 to 6 and held that lead until 6 minutes remained in the game, when Leyden moved 60 yards to the Glenbrook 1 yard line. Just when the Eagles were about to wrap the game up they fumbled and Glenbrook moved 99 yards in the closing minutes to score the winning touchdown.

NILES WEST (0-21)

Niles West was probably our worst game. The team was down and did nothing well as we lost our Homecoming game 21 to 0.

MAINE WEST (0-27)

Maine West saw East Leyden's offensive roll for 215 yards and one T.D. that was apparently missed just before the half. Our defense could not contain Maine West's offense which rolled for 325 and 27 points. Maine was probably the best team we faced all year.

WILLOWBROOK (14-7)

East Leyden came to life against undefeated Willowbrook and won 14-7 putting that team out of the title competition. Leyden played well on defense and offense and dominated all the statistics.

DEERFIELD (7-6)

In the final game of the year, East Leyden had to come from behind to win this one. Mistakes could have been costly here as the Eagles had one T.D. called back because of an off-sides penalty just before the half ended.

CLASSES and LEADERS

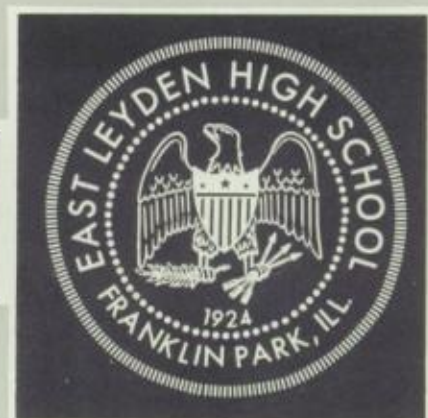

The underclassmen of Leyden participate in a number of activities. Just a short time after the freshmen enter school they begin earning money. The advisory's goal is their Junior Prom. In order to achieve this they sponsor many events. The sponsors and officers lead these young students in their first two years here.

The sophomore class has sold mums and programs for Homecoming and sponsored school dances in order to raise funds for their future Prom.

The juniors sponsored one of the highlights of the year, the Junior-Senior Prom. The turn-about "Boys Night Out" was also a project of this class.

All classes and leaders do an excellent job of school service and citizenship and deserve many thanks.
